

Months of the Year

Scandinavian Gothic Handwriting Course

The word for month in Denmark and Norway is måned. In Sweden it is månad. It is the practice in modern Danish to capitalize the names of the months, although this is not the case in Sweden and Norway. Below are the words for the twelve months in Swedish, Norwegian, and Danish languages.

English	Swedish	Norwegian	Danish
January	januari	januar	Januar
February	februari	februar	Februar
March	mars	mars	Marts
April	april	april	April
May	maj	mai	Maj
June	juni	juni	Juni
July	juli	juli	Juli
August	augusti	august	August
September	september	september	September
October	oktober	oktober	Oktober
November	november	novembe	November
December	december	desember	December

In some cases the last four months of the year may be written as shown below:

VIIber	VIIbris	7ber	7br	7bris	Septem (seven)	September
VIIIber	VIIIbris	8ber	8br	8bris	Okto (eight)	October
Ixber	Ixbris	9ber	9br	9bris	Novem (Nine)	November
Xber	Xbris	10ber	10br	10bris	Decem (Ten)	December
