

Charlotte McIntosh is the Assistant Branch Manager for the Midwest Genealogy Center, which is a branch of the Mid Continent Library system. Charlotte was hired as a part time reference assistant in 1999, when the genealogy branch was known as the Genealogy and Local History Branch. Her main responsibility was the periodical collection. With a budget increase in 2000, the periodical collection began to grow. Several area genealogical societies donated their periodical collections during the next few years. Going full time in 2008, Charlotte continued to develop and promote the periodical collection. In 2010 Charlotte became the Assistant Branch Manager in Charge of Daily Operations, but she still keeps her eye on (and interest in) the ever expanding periodical collection.
